

Exhibit 11
Parties to the Application

This application and five other concurrently filed assignment of license applications request Commission consent for the assignment of the licenses for 186 radio stations from one of the following broadcast licensee subsidiaries of Clear Channel Communications, Inc. to Frequency License, LLC ("Frequency"):

Clear Channel Broadcasting Licenses, Inc.
CC Licenses, LLC
Citicasters Licenses, L.P.
Jacor Broadcasting Corporation
AMFM Radio Licenses, L.L.C.
Capstar TX Limited Partnership

A chart depicting the control structure of Frequency is provided in Attachment A hereto. Information regarding the officers, directors, and members of Frequency and its parent entities is provided in Attachment B hereto.

Frequency has supplemented Attachment B to provide the percentage of total assets (debt-plus-equity) of Frequency that each of the parties to the application will hold immediately following the consummation of the transaction for which the Commission's approval is requested. The percentages of total debt plus equity reported below are approximations. They are based, as the Commission's rules provide, on an enterprise value that reflects the purchase price and the assignee's present intentions for the debt and equity financing of the transaction.
